ABB India Limited

<https://www.indiamart.com/abb-electrification-division/>

ABB is a pioneering technology leader in robotics and motion, electrification products, industrial automation and power grids, serving customers in utilities, industry and transport and infrastructure globally.

About Us

ABB's operations are organized into four global divisions, which in turn are made up of specific business units focused on particular industries and product categories.

- **ROBOTICS AND MOTION**

The Robotics and Motion division provides products, solutions and related services that increase industrial productivity and energy efficiency.

Its motors, generators, drives and robotics provide power, motion and control for a wide range of automation applications. The leading position in wind generators and traction converters complements the industrial focus, leveraging joint technology, channels and operations platforms.

Offering: Motors, generators, drives, mechanical power transmission, robotics, wind and traction converters.

Customers: Manufacturers, OEMs in a variety of industries and utilities, industry end users and transportation and infrastructure operators.

Key fact: ABB is the world's largest supplier of industrial electric motors and drives.

- **ELECTRIFICATION PRODUCTS**

Offering: Technology across the full electrical value chain from substation to the point of consumption, enabling safer and more reliable power. A range of digital and connected innovations for low- and medium-voltage, including EV infrastructure, solar inverters, modular substations, distribution automation, power protection, wiring...

ABB WALL SWITCH PLATE

Our Product Range

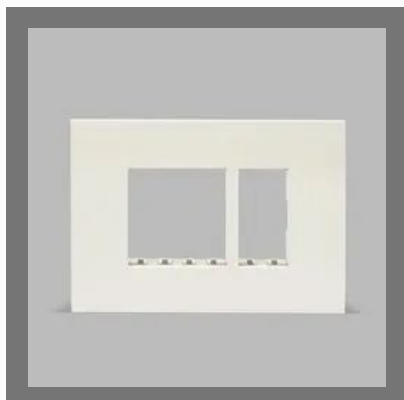

ABB IVIE IIPP343 BL 3M Wall
Switch Power Plate

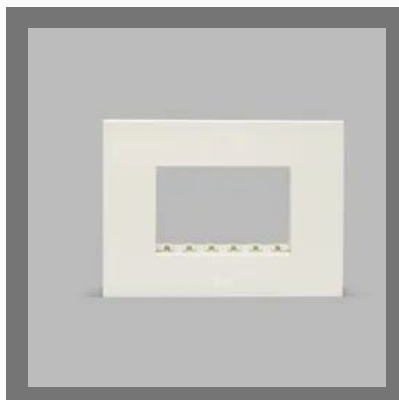

ABB IVIE IIP0343 BL 3M Wall
Switch Plate

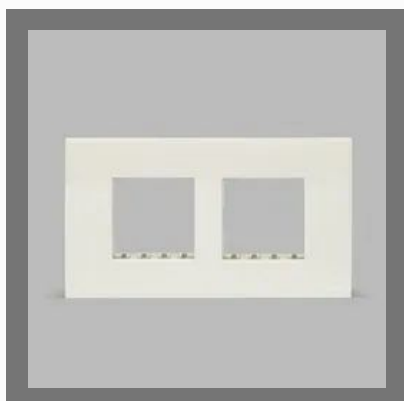

ABB IVIE IIP0453 BL 4M Wall
Switch Plate

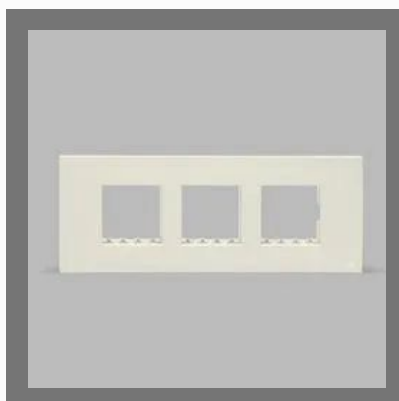

ABB IVIE IIP0683 BL 6M Wall
Switch Plate

ABB ELECTRICAL SWITCHES

Our Product Range

ABB IVIE IIM1ROIN PL Room
Occupancy Indicator

ABB IVIE IIS10610 BL 6A 1
Way Switch

ABB IVIE N2244.5 AN 2M
Safety Interlock Switch

ABB IVIE N2244.5 PL
DND/MUR Gang Interlocked
Switch

ABB USB CHARGER SOCKET

Our Product Range

ABB IVIE N2185 BL 1M USB
Charger Socket

ABB IVIE N2285 AN 1.5mA
USB Charger Socket

ABB IVIE N2185.2 AN 2mA
USB Charger Socket

ABB IVIE N2185 AN 750mA
USB Charger Socket

ABB LIGHT DIMMERS

Our Product Range

ABB IVIE N2260.2 PL
Universal Rotatory Push
Dimmer

ABB IVIE N2260.8 AN 2M
LED Rotary Push Dimmer

ABB IVIE N2260.3 AN 2M
LED Rotary Push Dimmer

ABB IVIE N2260.2 AN 2M
LED Rotary Push Dimmer

ABB ELECTRICAL SOCKET

Our Product Range

ABB IVIE IIK20620 BL 6/20A
Socket

ABB IVIE IIM2SVSK PL
Shaver Socket

ABB IVIE IIK20625 BL 6/25A
Socket

ABB IVIE IIK20006 BL 6A 2
Plus 3 Pin Socket

ABB ELECTRONIC BUZZER

Our Product Range

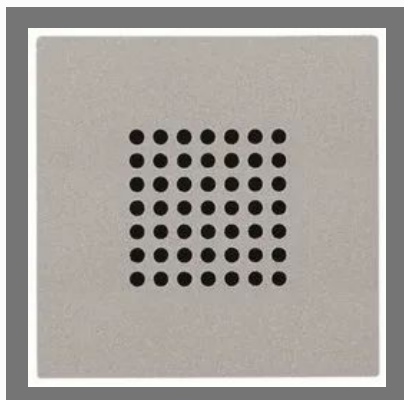

ABB IVIE N2219 PL 2M
Electronic Buzzer

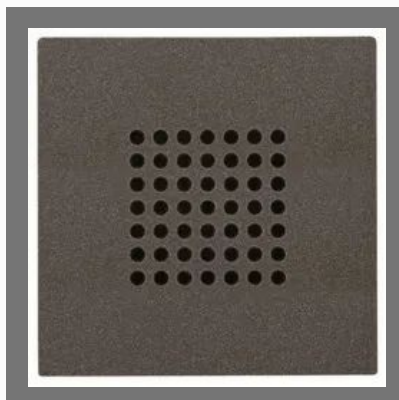

ABB IVIE N2219 AN 1M
Modular Electronic Buzzer

ABB IVIE N2119 AN 1M
Modular Electronic Buzzer

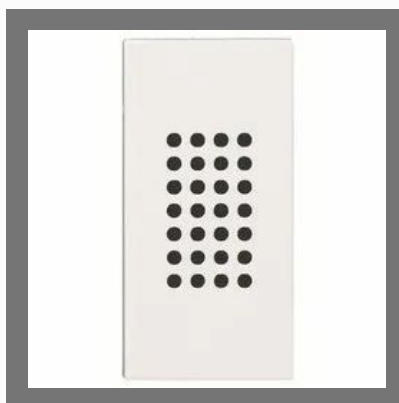

ABB IVIE N2119 BL 1M
Modular Electronic Buzzer

ABB EARTHING RODS

Our Product Range

ABB RB105 1200 mm
Threaded Copperbond
Earthing Electrodes

ABB RB110 1500 mm
Threaded Copperbond
Earthing Electrodes

ABB RB115 1800 mm
Threaded Copperbond
Earthing Electrodes

ABB RB125 2400 mm
Threaded Copperbond
Earthing Electrodes

ABB MODULAR COVER PLATE

Our Product Range

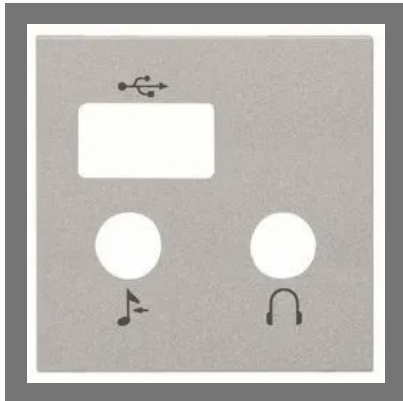

ABB IVIE N2268.3 PL 2M
Modular Cover Plate

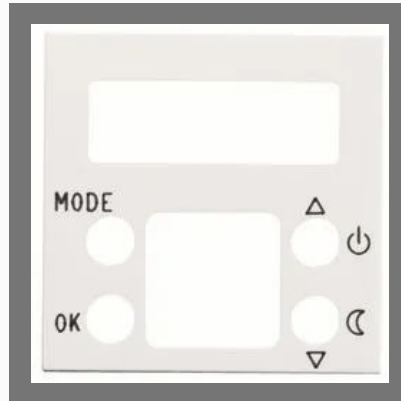

ABB IVIE N2240.5 BL 2M
Cover Plate

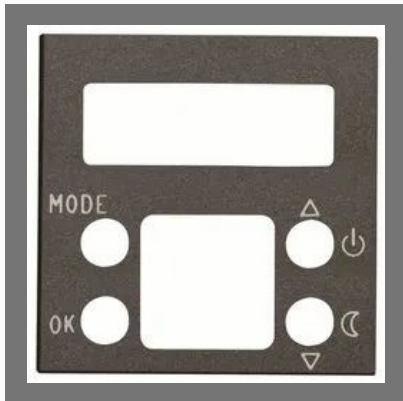

ABB IVIE N2240.5 AN 2M
Cover Plate

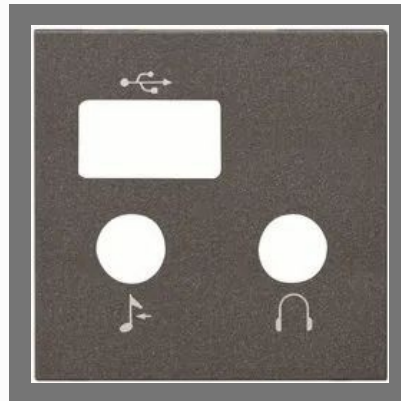

ABB IVIE N2268.3 AN 2M
Modular Cover Plate

OTHER PRODUCTS:

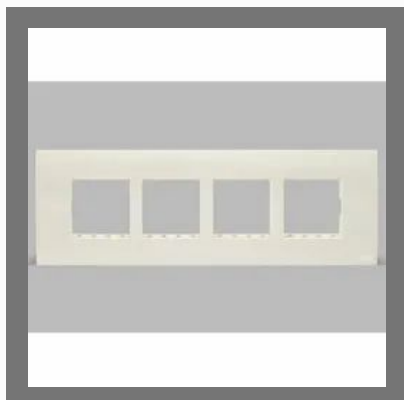

ABB IVIE IIP0893 BL 8M Wall Switch Plate

ABB IVIE IIS1161L AN 16A 1 Way Electric Switch With Indicator

ABB IVIE N2285 PL USB Charger Socket

ABB IVIE N2260.3 BL 2M LED Rotatory Push Dimmer

OTHER PRODUCTS:

ABB IVIE IIK20613 BL 6/13A
Universal Socket

ABB IVIE IIM2BUZR BL
Electronic Buzzer

ABB RB205-FU 1200 mm
Threaded Copperbond
Earthing Electrodes

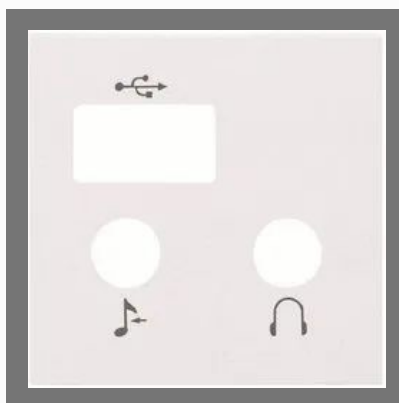

ABB IVIE N2268.3 BL 2M
Modular Cover Plate

Factsheet

Year of Establishment	: 1883
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 1001 to 2000 People
