About Us

Canon India Pvt. Ltd. is a 100% subsidiary of Canon Singapore Pte. Ltd. This world leader in imaging technologies was incorporated in India in the year 1997. Today Canon has offices spread across 14 cities in India and an employee strength of over a 1000 people. Professional Printing Products is one of the business division of Canon India Pvt. Ltd.

Consistent Print Output, the Best-in-class Product Quality, Patented Technologies, and the highest precision to deliver jobs with a quick turnaround time – are the most basic and the strongest foundation on which Canon professional Printing Products are built on. Canon professional printing products satisfy customers more in terms of print quality and color accuracy than other renowned brands in the category. According to a research done by ORC, 2019. No surprises why We, at Canon, offer more than consultancy to your business, we model ourselves more as technology, product and business partners ensuring your organization's success and growth. Professional Printing Products consists the products like Production Printing System, large Format Printing System and Commercial Printing System.

Canon Production Printing Systems comprises of Canon imagePRESS and imageRUNNER ADVANCE Series Electro photographic Printers which offers Excellent Print Quality for Small-to-Large Print-for-Pay Shops, Commercial Offset Printers, Book Publishers, Transactional Printers and Copy Shops. Canon state-of-the-art...
